ALX SE Discord Migration - Follow this Easy, Step-By-Step Guide to Link your Account

From 25th September 2023, The ALX SE Community will be moving from **SLACK** to **DISCORD** 🎉 Access to **DISCORD** will be on the 25th September

To ensure you are ready for our big move, you will be required to link your **DISCORD** account to your **INTRANET** account

If you do **NOT** have a **DISCORD** account follow the steps below to **CREATE** one.

We have also highlighted the steps for you to **LINK** your **NEW** or **EXISTING** **DISCORD** account to your **INTRANET** account - We ask that you **RELAX** and follow these **EASY** steps below;

Step 1: Create A Discord Account

(This step only applies if you DON'T have a DISCORD account, if you HAVE a DISCORD account, SKIP to STEP 2)

(1) Go to the discord registration page here (https://discord.com/register) it will open a page that looks like the below

b. Add all your details and agree to the terms of use.

c. Once you create an account, you will be asked to verify your account, check the email you registered with for a verification email from noreply@discord.com be sure to verify your account to gain access to the server.

Step 2: Link your Discord Account to the Intranet

Watch this 30 Second Video on how you can do this - Please note that once you link your account, you are **NOT** required to take any further action. You will get **ACCESS** to the New **DISCORD** Server from the **25th of September**.

1. Log in to your **INTRANET** account
2. Navigate to my profile page- you should see it just under the slack logo of your **INTRANET**.
3. Just underneath your profile picture- click on Link **DISCORD** account
4. You will be redirected to the discord page - Click **AUTHORISE**

Error: Discord account could not be linked because your discord account must be verified

Please follow the below steps:

1. Check the email you created your discord account with for an email from noreply@discord.com prompting you to verify your account.
2. If you get an error that the link has expired (this happens if it's been more than 7 days) follow the below steps

If the verification link has expired:

1. Log in to your discord account.
2. On the bottom left, you will see a :cog: (user settings) next to your user name
3. On user settings>My account you should see the option to resend the verification email

What Next?

On **25th SEPTEMBER 2023**, We will give you access to the DISCORD Server - Again you are **NOT** required to take any further action after linking your account

On **1st OCTOBER**, we will block **INTRANET** accounts that are yet to link their **DISCORD** Accounts.

To ensure that you do not **INTERFERE** with your learning, We would advise you to **LINK** your account as soon as possible.
